

*"BLESSED WITH ALL SPIRITUAL BLESSINGS" \* SUNDAY, FEBRUARY 25, 2024 \*  
GUEST SPEAKER: PASTOR STEVE KERN*

1. Even though we are "in Christ" why are we easily tempted to live as if we are "out of Christ" and part of the world?
2. Even though we have been redeemed (freed) from the power of sin and the devil, why do we still allow sin and vices to enslave us?
3. When God forgives, he forgets. When someone wrongs you, do you forgive and forget the offense, or do you hold on to it?
4. If being "in Christ" means that we are joint heirs with Jesus which means we have everything, why do we prioritize living for this world and accumulating things?
5. Why does God adopt you after you are born again by His Spirit? What are some practical ways that this truth should impact your daily life?
6. How can the fact that you are sealed by the Holy Spirit impact your emotional and mental health?
